

Toast To The Ta-Ta's

Beer & Wine Tastings to Benefit

Enjoy an evening of food, fun and prizes to benefit the walking team of "Toast to the Ta-Ta's". This year we celebrate our third annual Avon Walk. My mother and I, with our team, will walk 39 miles in and around Manhattan, NY in October. On our journey we will meet other survivors and share stories with other men and women with whom this disease has effected. This weekend long event has inspired us to make a commitment to ourselves and this program every year, and we are proud to participate again this year. Each participant must raise \$1,800 to walk, last year we raised over \$10,000 & this year, WE'VE SET OUR GOAL AT \$20,000!!
